

About RT Door Company

Learn about our
company and what
we will do for you!

*Specializing in custom
handcrafted doors for all
your home's needs*

About RT Door Company

RT Door Company has operated as a small family owned business since 1985. We specialize in custom crafted doors for your home and cabinet doors for your kitchen and bath. Our doors are made to your specifications using the finest Appalachian hardwood available.

RT Door Company will handcraft, reproduce and custom design odd size wood doors using construction methods developed by artisans over the centuries. Our solid hardwood exterior doors are available in a variety of woods harvested in the Appalachian Mountains. When possible, we use aged reclaimed wood resulting in an unsurpassed beauty and patina that will enhance any architectural design. Our woods are slowly kiln dried using the most modern equipment available to ensure the quality, strength and stability that will enhance the beauty of your home or business.
